Dear Mr. Klumpp,

I am pleased to inform you that your ministry's 2004 Annual Membership Review (AMR) has been approved. CBMC has faithfully demonstrated its continued compliance with the ECFA Standards of Responsible Stewardship. ECFA appreciates your ongoing participation with over 1,100 other evangelical organizations exhibiting excellence and accountability in ministry. We humbly believe God is honored by the unity of so many ministries within the Body of Christ.

In addition to our website designed primarily for the donor public and nonmember organizations (www.ecfa.org), ECFA recently unveiled a new member-oriented website (www.ecfamembers.org). This is a one-stop website loaded with information for your ministry. Included on this site are: a fillable Annual Membership Review (AMR) form and research documents on a variety of nonprofit topics.

A CD containing the graphics files of the new ECFA seal has recently been sent to you. We encourage you to incorporate the new seal as you reprint your materials, revise your website, and much more. The seal communicates to your donors that the ministry adheres to high standards and that contributions are used as intended.

We are proud to count CBMC among those organizations that, through its membership, set the example of integrity within the evangelical community. May God continue to bless your ministry as you do His work.

Sincerely,

David Brugger
Manager of Member Certification
