Dear Mr. Truax,

May I express my personal appreciation for renewing your 2012 membership and continuing to stand with over 1,700 ECFA organizations committed to high integrity!

A record high number of churches and nonprofits are joining and retaining ECFA accreditation—higher than at any time in our 34-year history. This is because of a growing desire of Christ-centered organizations to model high principles of governance, finances, and stewardship that are far beyond what the law requires. ECFA accreditation enhances trust for your givers, in turn increasing generosity which provides more resources to help fulfill the Great Commission.

As we approach God during these challenging days, may we have the confidence “that if we ask anything according to His will, He hears us.” (1 John 5:14)

Blessings!

In Him,

Dan Busby
President
